SUBJ: Federal Parent Loan for Undergraduate Students (PLUS)

The Federal Direct PLUS offers an affordable option for parents to assist their dependent student with the costs of tuition, fees, room, board, books and miscellaneous expenses. The amount borrowed using the PLUS loan may include the yearly cost of an undergraduate education less financial aid (scholarships, grants, loans, and outside scholarships). Eligibility is not based on financial need; it is determined by a federal credit check approval. There is a **federal loan origination fee of 4.228% that will reduce the requested amount.** However, you may increase the loan amount to cover the fees. The loan disbursements will be sent to Nebraska Wesleyan in two equal installments (half each semester) when you apply for a full academic year loan. Interest begins accruing when the money is applied to the student's school account. New interest rates are announced each May. (*The rate for the 2024-2025 year is 9.08%*) Payment on the PLUS loan begins either 60 days after the loan is fully disbursed or you may request to defer payments until six months after the student, on whose behalf the parent borrowed, ceases to be enrolled on at least a half-time basis, graduates or fails to make satisfactory academic progress. For more information about borrowing limits, repayment plans and interest rates, go to <https://studentaid.gov/understand-aid/types/loans/plus>.

To **apply for the Federal Direct PLUS loan online**, go to <https://studentaid.gov/plus-app/>, click I am a Parent of a student. The loan application is good for 180 days so to avoid any extra credit check, you will want to make sure to apply no earlier than 180 days prior to the beginning of the academic year. Make sure to log in with your parent FSA ID username and FSA ID password when applying. If the parent/stepparent borrower does not have an FSA ID username and password yet, click on Create Account to create one. You will also need to complete a **Master Promissory Note** (loan agreement) online at <https://studentaid.gov>.

If you have any questions or need assistance, please contact me at kolson@nebrwesleyan.edu or call 402-465-2166.

Please make sure to include a dollar amount you want to borrow on the application. If you do not, it will default to requesting the maximum amount that you are eligible to borrow. Our office will be electronically notified once you have submitted the forms. Both the application and MPN must be received before we can process your PLUS Loan for the amount you wish to borrow.

ADDITIONAL INFORMATION:

- Make certain the borrower's and student's social security number and date of birth are correct
- If parents are separated/divorced, each parent may complete an Application and MPN for the same student
- Room and board charges for residential halls, suites, townhouses and university owned apartments are included in this package.
- If you believe you will be denied the PLUS loan, contact our office, kolson@nebrwesleyan.edu, and request an application for PLUS pre-approval prior to completing the MPN online.
