

Transfer Guide: MCC Applied Associates of Science in Business Administration (AAS) to NWU Bachelor of Arts or Science in Business Administration

This Pathway is designed to help students earning an Applied Associate of Arts degree in Business Administration transfer into the Business Administration major at Nebraska Wesleyan University. Students who follow this pathway are positioned to complete a Bachelor of Arts or Bachelor of Science degree in Business Administration (BS) in approximately two or two and a half years (four or five full-time semesters).

Some guidelines for this guide:

- MCC Courses must have grades of C or better to transfer.
 - MCC courses applying to the NWU Business Administration major must have a grade of B or better
- Students who transfer before completing courses or requirements in this guide may be able to complete courses after transferring and stay on track. Consult an NWU admissions counselor for guidance.

General Transfer Policies:

- MCC Courses with numbers below 1000 will not transfer.
- Students can transfer a maximum of 96 quarter hours (64 semester hours) from community colleges.
 - 4.5 quarter credits transfer as 3 semester credit hours; 6 quarter credits transfer as 4 semester credit hours.
 - Max of 24 quarter credits (16 semester hours) can be transferred as technical electives.
- Students must complete a minimum of 126 semester credit hours to earn a bachelor's degree from NWU. Transferrable courses which do not meet degree requirements (aka "elective credits") may still count toward this 126.
- Students should work with their advisor when selecting courses for the AAS. This guide offers recommendations for transferable courses and is not intended to be a substitute for advising at MCC.

For more information on this transfer pathway, please contact NWU Graduate and Transfer Admissions at transferadmissions@nebrwesleyan.edu
